MIKE KELEHER NAMED CAMP OPERATIONS DIRECTOR

PRESCOTT, April 15—The Arizona District Church of the Nazarene and Camp Pinerock announce that effective May 1, 2009, Michael Keleher is promoted to the position of operations director at the Prescott, Arizona, campground. His responsibilities encompass every aspect of running the camp, including personnel, facility maintenance, building projects and camp development. Mike will report to Doug Pierce, assistant district superintendent and camp administrator.

Mike has lived and breathed Christian camping since his youth. His camp management background was “inherited” from his dad, who both served as director and chaired the board of Sunshine Acres Camp and Conference Center, a longstanding Christian camp in upstate New York. In fact, Mike’s entire family handled a variety of camp responsibilities during the years his dad oversaw the camp. Later, as an adult, Mike, too, served as director of operations at Sunshine Acres.

The Kelehers attend Prescott First Church of the Nazarene. Mike’s wife Cindy, an accomplished musician, joins him as the camp’s guest relations manager. Her responsibilities include the new Higher Grounds Café, a coffee and gift shop.

Margie Compton completes the management team as Camp Pinerock’s office manager, focusing her efforts toward marketing, contracts and camp finances.
