

NCM has told us that anyone wanting to do crisis care kits needs to follow the normal procedure outlined on the NMI website. They All should be sent to the warehouse in PA following the directions on the link below, including the \$12 per banana box (\$2 per CCK) to assist with shipping and handling.

<http://www.nazarenemissions.org/10096/story.aspx>

CCK's in the warehouse currently have been sent and any sent by your churches will go to the warehouse to get ready for the second and third waves.

ALTERNATIVE: Immediate help

In talking to Cort Miller in NCM I asked him what their most pressing needs are for Haiti if a church would like to just purchase items they need in Haiti a.s.a.p.

He sent me a link to the Amazon.com store that a person or church can go on and purchase items that are needed and have them sent to the address listed below. If a church is interested, they can go to <http://astore.amazon.com/olivknolparec-20> and purchase items such as toiletries, shoes, medical supplies, food, equipment or shelter. When asked for the "SHIP TO" address, send to the following address:

**Nazarene Compassionate Ministries**  
**"Church of the Nazarene – Haiti Earthquake Relief."**  
**Obed Santiesteban**  
**310 E. 5th St. Hialeah, FL 33010**

PLEASE: DO NOT SEND Crisis Care Kits to this address

If you have any Question please e-mail Cort Miller at [cmiller@nazarene.org](mailto:cmiller@nazarene.org)
